Constelações Diacrônicas

em homenagem a *Charlotte Galves e Mary Kato*

THIRD CIRCULAR V – CILH

The organizing committee of the **V International Conference on Philology and Diachronic Linguistics** (V CILH: Diachronic Constellations), in honor to Professors Charlotte Galves and Mary Kato, to be held **online** on July 19th to 23rd, 2021, in this *third circular*, **informs that the registrations in the V-CILH, in all the modalities of participation, including registrations in short courses, start this Friday, March 5, 2021 and also bring some news on our program.**

1. **The registrations in all the modalities of participation**, can be done through our conference management system at the auxiliary site: <https://www.even3.com.br/vcilh2021/>

The guidelines for your registration are available in the **step-by-step** guide link, founded at: <https://www2.iel.unicamp.br/v-cilh/inscricao-2/>

The details about the different types of registration modalities can be found at the same link above and they are: **(i) non-presenter** (with certificate); **(ii) presenter** (poster or oral communication).

The modality **(ii) presenter** is divided into five types of participants: **a.** undergraduate students; **b.** graduate students; **c.** post-doctoral fellow; **d.** teachers and independent researchers; **e.** professors.

2. We are glad to announce that **Carlos Alberto Faraco**, professor at the Federal University of Paraná, is among our invited speakers in the V CILH!

More details about the invited speakers and their talks can be found at: <https://www2.iel.unicamp.br/v-cilh/convidados/>; <https://www2.iel.unicamp.br/v-cilh/palestras/> .

3. The **short courses on V-CILH** will take place during the week of the event and the following week, that is: from **July 19, 2021** to **July 30, 2021**. the general schedule of the courses is: **8:30 am to 10:20 am***.

Details about all short courses are available in your participant area on the auxiliary site (<https://www.even3.com.br/participante/sessions/>), and also at: <https://www2.iel.unicamp.br/v-cilh/minicursos/>

The registration in **short courses** is available only to participant [(i) non-presenter (with certificate) and (ii) presenter (poster or oral communication)].

It matters to know that registration in several **short courses** will be allowed just if it does not exceed the number of vacancies available and that there is no schedule overlap. There is no waiting list.

* With the exception of the course "A identificação de mãos inábeis" which will take place between 2:00 pm and 3:50 pm on July 26 and 27
